Experience

Software Engineer at FusionHawk   Oct 2025 – Present
Technologies: ZOHO, Node.JS, React.js, VBA, Catalyst

- **PropWealth.AU** : Engineered 80+ workflow automations, custom functions, and Client Script rules in Zoho CRM to streamline business processes. Integrated WhatsApp Business(Meta) and Email marketing platforms for automated engagement. Optimized complete sales cycle—lead nurturing, qualification, and deal conversion—enhancing productivity and driving adoption across 100+ users.
- **Anarock Property** : Automated generation using VBA to create dynamic presentations incorporating Property metrics, Geolocation data, and Imagery. Administered CRM database containing 20,000+ properties nationwide, establishing role-based access controls for Brokers, Surveyors, City heads and Management stakeholders.

ReactJS Developer Intern at Softkingo Technologies   Jul 2024 – Oct 2024
Technologies: React.js, JavaScript, TailwindCSS, Bootstrap, Framer Motion

- **Aistear Unica**: Designed and developed an online salon website featuring a visually appealing and soothing user interface. Enhanced user engagement, leading to increased sales and customer inquiries by 200%.

Projects

GoStock   *dev-Parth23/GoStock*
Technologies Used: React.js, TailwindCSS, React-Chart.js

- Built a responsive stock price prediction platform with interactive charts, KPIs and client-side login/signup functionality for personalized access and seamless market analysis.

EloTech   *dev-Parth23/EloTech*
Technologies Used: React.js, TailwindCSS, GSAP

- Designed a responsive portfolio website for a software services brand, integrating smooth GSAP animations and 3D elements to effectively present offerings and capabilities.

Certifications

- **AWS Academy Graduate** – AWS Academy: Introduction to Cloud
- **Infosys Springboard** - Artificial Intelligence, JavaScript

Position of Responsibility

Executive Head of **Salaah: The Mentor Community**   Aug 2022 – Oct 2024

- Led a 30-member team, organizing 15+ alumni engagement initiatives—podcasts, bootcamps, mock interviews impacting 500+ students and increasing participation of present students by 40%.

Education Mentor at **HUHC(NGO), India**   Jul 2022 – May 2024

- Mentored 35+ underprivileged students through structured lesson planning and organized 5+ events, improving learning outcomes and fostering holistic development.
